Dear Child Care Provider

The Department of Human Services, Division of Family (DHS/DFD) is making grants available to child care providers participating in the state's Child Care Subsidy Program. The Health & Safety-Sanitizing and Cleaning Grant includes a specific emphasis on improving the overall health and safety of child care programs by offering priority assistance to providers with limited resources. Interested Child Care Providers must comply with Child Care Development block Grant requirements including staff completion of pre-service health and safety trainings. In order to be considered for grant eligibility *all* required documentation must be included with the application. Child Care Providers who have received funding for these services from any other sources such as school districts or private grants, are not eligible for this grant.
